Expert Laundry Services for Care Facilities

Your washing machine could be the reason your Care Inspectorate grading drops.

Domestic machines can't reach the thermal disinfection temperatures residents' linen requires — a professional laundry provider removes that risk entirely, with validated wash cycles and full infection control compliance built in.

It's one less variable standing between your care home and a strong inspection outcome.

Sustainable. Compliant. Reliable.

aberdeen Laundry services

UK's FIRST Certified Carbon Neutral Commercial Laundry

Roots dating back to 1898 and 97 trained professionals.

About Us

Aberdeen Laundry Services is the UK's first certified carbon neutral commercial laundry, verified under ISO 14068-1 and ISO 14064-1, and fully HTM 01-04 compliant for healthcare textile services. We're also working towards BS EN 14065 certification, targeted for December 2026. Operating from four sites across Scotland, we provide laundry and dry-cleaning solutions to sectors nationwide.

Our Care Home Services include:

- Linen & towel rental
- Laundry & dry cleaning
- Residents clothing
- Workwear
- Entrance mats
- Reusable gowns
- Reusable cubicle curtains
